

"your swiss army knife on wheels"

212.242.9400
fax 212.242.1797

Who do you think invented and perfected the production/ expendable warehouse on wheels? Wits End, of course.

Accept no imitations. Our trucks are fully outfitted and maintained for just about any shoot you have, no matter its length or complexity. They're gone over and restocked every night. You can add in extras to make your shoot go smoother. And your driver is also an experienced PA, available to help with the production. The only thing you won't get are hidden costs.

WITS END TRUCK PACKAGE COST
